INTERNACIONAL AIRMAIL RATES

Airmail

All mail sent as airmail should bear the words "Airmail" on the front of the item. This service may be used for taped messages, personalized direct mail shots and for packets up to 2 kg in weight. Please write "Letter" clearly on the outside of these packets.

To calculate the postage for a given package use the postage calculator on this page or view the full listing of airmail rates and zones.

Unsealed Small Packets

This service can be used for unsealed small packets containing goods under 1 kg (although some countries only allow up to 500 g - please check with foreign postal administrations for weight limits to avoid recipient being charge for any shortage in postage cost). It is recommended to use string or clear plastic bags to secure items. Please mark all items "Small Packets."

Sealed Small Packets

If you wish to send sealed packets or packets weighing between 1 and 2 kg, please use the Airmail letter rates for applicable zone.

Unsealed Printed Paper (Locally Printed Paper or Printed Paper)

This service can be used for unsealed advertising material, books, newspapers and periodicals. Please mark all items "Printed Paper" and use the correct rate for "Locally Printed Paper" or "Printed Paper." It is recommended to use string or clear plastic bags to secure items.

Literature for the Blind

.05¢ per 50 g, irrespective of destination country.

Declaration Forms

Letter packets sent abroad by post are liable to examination by Customs overseas and must be declared to Customs authorities on special forms. The green label (CI) should be used for gift items or goods and can be obtained from the postal counters at time of mailing.

Description of Contents of Packets

Contents of packets must be fully and accurately described (even if a gift sample). Failure to do so may result in delays, return to sender, confiscation by customs officials in the receiving country or extra charges levied to the recipient.

International Surface Letter Rate

The Bermuda Post Office has discontinued International Surface Letter Rates and all related surface product services.

To calculate the postage for a given package use the postage calculator on this page or view the full listing of airmail rates and zones.

WARNING

Do not to send cash or other valuables through the mail. The Bermuda Post Office does not accept liability for any loss caused by theft, damage, or late delivery.
